Launch Your Space Dynamics Laboratory Career in Albuquerque, New Mexico

The Utah State University Space Dynamics Laboratory (SDL) is a mission-focused, nonprofit University Affiliated Research Center (UARC) sponsored by the Missile Defense Agency. As a trusted Department of Defense partner, SDL has been making big impacts on important missions since 1959. We solve technical challenges faced by the military, science community, and aerospace industry, specializing in hardware and software systems from concept to completion. SDL is headquartered in North Logan, Utah, with several field offices situated across the US. Our Albuquerque field office is conveniently positioned outside Kirtland Air Force Base.

SPACE FOR YOU

Our employees are our greatest resource! We promote a high-performing, inclusive atmosphere, where teams collaborate and empower one another to meet and exceed mission requirements. Our employees engage in important national security and science efforts, which fosters job satisfaction and a positive work environment. We provide employees with opportunities for career advancement and enjoy recognizing their achievements through our employee recognition program.

ORBITING ALBUQUERQUE

Albuquerque was founded as a Spanish colony in 1706. The city's centuries-old blend of Spanish and Ancient Puebloan tribal history influences its traditions and cuisine today. Located along the banks of the Rio Grande River, Albuquerque is an economic center for cultural services, manufacturing, and military technology research and development. As New Mexico's largest city, this metropolitan center is poised to become the next major aerospace hub. Albuquerque residents enjoy the area's historic traditions and art, mild climate, affordable living, and available attractions:

- Albuquerque BioPark
- Albuquerque International Balloon Fiesta
- Albuquerque Museum
- National Hispanic Cultural Center
- National Museum of Nuclear Science & History
- Paseo del Bosque Trail
- Indian Pueblo Cultural Center
- Route 66 National Historic Highway
- San Felipe de Neri Church
- Sandia Peak Tramway
- University of New Mexico
