

Space Dynamics Laboratory

UNIVERSITY AFFILIATED RESEARCH CENTER

YOUR TRUSTED PARTNER

The Space Dynamics Laboratory (SDL) is sponsored by the US Space Force (SAF/SQ) and is one of 15 UARCs in the nation. SDL prioritizes collaboration with government, UARCs, FFRDCs, industry, and academia. Together, these partnerships advance critical technologies that address shared national priorities across defense, intelligence, civil, commercial, and scientific missions.

AREAS OF EMPHASIS

ADVANCED SENSING & SYSTEMS

AUTONOMOUS SYSTEMS & INTELLIGENT CONTROL

SPACE MISSION DESIGN & OPERATIONS

INTEGRATED COMMAND, CONTROL, DATA & CYBER SYSTEMS

MODELING, SIMULATION & PHENOMENOLOGY

OUR IMPACT

PROVEN EXPERTISE

NON-COMPETE

CUSTOM SOLUTIONS

NON-EXCLUSIVE

KEY BENEFITS

- Unlimited Government rights
- Free from conflicts of interest
- Rapid integration of innovative technologies
- World-class cleared facilities & personnel
- Essential engineering, research & development
- Nonprofit owned by Utah State University
